Corrigendum

In press release SB/15/10 dated 2 June 2009, the statement of the Vietnam delegation in the discussion of Prof. Jia Yu's presentation was inadvertently omitted.

The Vietnam delegation underlined that it was a legitimate right of coastal States to make submissions to the Commission on the Limits of the Continental Shelf. Vietnam said that such a submission would not prejudice the future delimitation of the continental shelf between adjacent and opposite States, according to the rules of the Commission and the United Nations Convention on the Law of the Sea.
