

**INDEXES TO THE MAIN DOCUMENTS
OF THE ASSEMBLY AND THE COUNCIL
FROM 1994 TO 2010**

This index has been divided into two sections; a cumulative index which contains a complete list of the main documents of the Assembly and Council from the first session (1994) to the thirteenth session (2007), and a consolidated subject index to the documents contained in the annual publication "Selected Decisions".

Documents of the International Seabed Authority begin with the letters "ISBA". Documents of the first two sessions do not have a sessional number (e.g. ISBA/A/1), but from the third session on they do (e.g. ISBA/3/A/1). Formal Assembly and Council documents each appear in four series, -/1; -/L.1; -/WP.1; and -/INF.1, corresponding to main documents, documents with limited distribution, working papers and information papers respectively. In addition to A and C documents there are the following series: ISBA/FC (Finance Committee) and ISBA/LTC (Legal and Technical Commission).

The Authority does not keep verbatim or summary records of meetings. Sound recordings are made and retained by the Secretariat. Official accounts of the work of the Authority are to be found in the successive statements of the Presidents of the Assembly and the Council on the work of their organs, and the annual reports of the Secretary-General.

The Authority publishes annually a compendium of selected decisions and documents from each session. These may be cited as, e.g. Selected Decisions 16, 1-29. The consolidated index provides a subject guide to the documents which have been reproduced in this volume, whilst the cumulative index indicates the reference in the appropriate volume of the Selected Decisions.

The documents in this index are also available in electronic format on the Authority's website at <http://www.isa.org.jm>.
