

Relinquishment of a Seat in the Council (1996-2016)

1. In accordance with paragraph 15, of section 3, of the annex to the 1994 Agreement, the Council shall consist of 36 members elected by the Assembly.
2. However, in attempting a formula for equitable geographic distribution among the membership of the Council, the Assembly of the ISA agreed on the following formula:

Group	Seats
African Group	10
Asia-Pacific Group	9
Eastern European Group	3
Latin American and Caribbean Group	7
Western and Others Group	8

3. Since the total number of seats allocated according to that formula is 37, it is understood that, in accordance with an understanding reached in 1996 (ISBA/A/L.8), each regional group other than the Eastern European Group will relinquish a seat in rotation.
4. The regional group which relinquishes a seat will have the right to designate a member of that group to participate in the deliberation of the Council without the right to vote, during the period the regional group relinquishes the seat.
