Corrigendum

Page 3

1. The first two paragraphs should be corrected to read as follows:

"In 1970, Japan announced plans to produce submarine structural charts, total magnetic intensity charts and gravity charts of its surrounding waters at the scale 1:200,000.

"The United States is undertaking a project to produce bathymetric charts indicating both isobaths and geophysical information of the continental shelves and adjacent slopes of the United States, to a depth of 2,500 metres, at the scale 1:250,000."

2. Under "MAPS", at the end of the first entry, the following should be added:

"(Sales distribution by Institut Géographique National, Paris VII, France)"

3. Under "PUBLICATIONS", the last entry should be deleted and the following added:

"Catalogue of Admiralty Charts: published by Hydrographic Department, Ministry of Defence, Taunton, Somerset, United Kingdom.

"Catalogue of Nautical Charts and Publications: published by US Naval Oceanographic Office, Washington, D.C."
