

Thank you, Mr President.

Mr President, Mr Secretary General, Excellencies, Distinguished Delegates, Ladies and Gentlemen .

Republic of Poland would like to express the highest consideration for efforts regarding the Enterprise issue – to You, Secretary General, Secretariat and the Special Representative of the International Seabed Authority – Mr. Eden Charles.

Excellences, Ladies and Gentlemen,

We consider that the work on the operationalization of the Enterprise should be continued with the high priority. Additionally the result of this work should be connected with work with Exploitation Regulations, which are presently the most important topic to be addressed during this and next sessions of the Authority. We are ready to commit to this work of the Council and support the Secretariat in this respect.

Let me once more express my highest consideration for your work at the Enterprise matter.

Thank you, Mr President.
