Decision of the Council relating to an application for the approval of a plan of work for exploration for cobalt-rich ferromanganese crusts by the Ministry of Natural Resources and Environment of the Russian Federation

The Council of the International Seabed Authority,

Acting on the recommendation of the Legal and Technical Commission,

Noting that, on 6 February 2013, the Ministry of Natural Resources and Environment of the Russian Federation submitted to the Secretary-General of the International Seabed Authority an application for the approval of a plan of work for exploration for cobalt-rich ferromanganese crusts in the Area, in accordance with the Regulations on Prospecting and Exploration for Cobalt-rich Ferromanganese Crusts in the Area,¹

Recalling that, in accordance with paragraph 6 (a) of section 1 of the annex to the Agreement relating to the implementation of Part XI of the United Nations Convention on the Law of the Sea of 10 December 1982,² the processing of an application for the approval of a plan of work for exploration shall be in accordance with the provisions of the Convention, including annex III thereto, and the Agreement,

Recalling also that, pursuant to article 153, paragraph 3, of the Convention³ and paragraph 6 (b) of section 1 of the annex to the Agreement, the plan of work for exploration shall be in the form of a contract concluded between the Authority and the applicant,

Taking note of the advisory opinion of the Seabed Disputes Chamber of the International Tribunal for the Law of the Sea of 1 February 2011,

1. *Takes note* of the report and recommendations of the Legal and Technical Commission relating to an application for the approval of a plan of work for
