1. Nothing in these regulations affects the rights of coastal States in accordance with article 142 and other relevant provisions of the Convention.

1.bis The Secretary-General shall inform potentially affected coastal States, as identified in the applicable Regional Environmental Management Plan, upon the submission of an application for exploitation. Appropriate consultation and notification protocols will be developed.

2. Contractors shall take all measures necessary to ensure that their activities are conducted so as not to cause ~~Significant~~^{serious} Harmful Effects to the Marine Environment, including, but not restricted to, pollution, under the jurisdiction or sovereignty of coastal States, and that such ~~Significant~~^{serious} Harmful Effects or pollution arising from Incidents in their Contract Area does not spread into areas under the jurisdiction or sovereignty of a coastal State.

4. Please indicate the rationale for the proposal. [150 word limit]

REMP are an important management tool. Thus, it is essential that the Coastal States are pro-actively informed about applicable REMP.
