2. The ~~Secretary-General~~[Legal and Technical Commission](#) shall report annually to the Council on the findings and recommendations following the inspections conducted in the prior Calendar Year, and shall make any recommendations to the Council on any regulatory action to be taken by the Council under these regulations and an exploitation contract.

**4. Please indicate the rationale for the proposal. [150 word limit]**

Italy prefers that the LTC be tasked with making recommendations to the Council on any regulatory action to be taken by this executive body following the report of inspectors. It is our conviction that the report will be of a very technical nature and that, for any such determinations, we should rely on the recommendations of the Council’s technical subsidiary body.

More in general, the Council should discuss the delegation of powers to the SG as a general cross cutting topic.
