General Comments		
When preparing the general comments, stakeholders are invited to consider the following:		
<ol style="list-style-type: none"> <li>1. The structure and layout of the draft REMP.</li> <li>2. The level of detail of the draft REMP, while avoiding being too prescriptive.</li> <li>3. The goals and objectives in the draft REMP in providing for long-term, effective protection of the marine environment in the Area of the northern Mid-Atlantic Ridge.</li> <li>4. The management measures and their ability to achieve the goals and objectives in the draft REMP.</li> </ol>		
Specific Comments
