Please fill out one form for each textual proposal which your delegation(s) wish(es) to amend, add or delete and send to council2022@isa.org.jm.

1. Name(s) of Delegation(s) making the proposal:

Norway

2. Please indicate the relevant provision to which the textual proposal refers.

46

3. Kindly provide the proposed amendments to the regulation or standard or guideline in the text box below, using the “track changes” function in Microsoft Word. Please only reproduce the parts of the text that are being amended or deleted.

4. Please indicate the rationale for the proposal. [150 word limit]

Regulation 46 sets out the requirement for contractors to develop, implement and maintain an environmental monitoring system. Norway supports such a requirement, and as it is a mandatory requirement it is correctly placed in section 1 in part IV. Norway asks whether this requirement could be combined with the EMMP, as they are closely connected.
