

**TEMPLATE FOR SUBMISSION OF TEXTUAL PROPOSALS DURING THE 27TH SESSION:
COUNCIL - PART I**

Informal Working Group – Inspection, Compliance and Enforcement

Please fill out one form for each textual proposal which your delegation(s) wish(es) to amend, add or delete and send to council2022@isa.org.jm.

1. Name(s) of Delegation(s) making the proposal:

United Kingdom

2. Please indicate the relevant provision to which the textual proposal refers.

Reg 102 (Electronic Remote monitoring)

3. Kindly provide the proposed amendments to the regulation in the text box below, using the “track changes” function in Microsoft Word. Please only reproduce the parts of the text that are being amended or deleted.

2. All mining vessels, **installations involved in exploitation activities** and mining collectors shall be fitted with an electronic monitoring system. Such system shall record, inter alia, the date, time and position of all mining activities, **and, where technically possible, shall also provide environmental data**. The detail and frequency of reporting shall be in accordance with the Guidelines.

5. Please indicate the rationale for the proposal. [150 word limit]

The UK supports the text (**installations involved in exploitation activities**), as per ISBA/26/C/CRP.1), and suggests where technically possible that the monitoring system, also provide environmental data in the future to support the ISA and Council’s research activities on the impacts of any deep sea mining in the Area.
