Part V
Review and modification of a Plan of Work

Regulation 57

Modification of a Plan of Work by a Contractor

1. A Contractor shall not modify the Plan of Work annexed to an exploitation contract, except in accordance with this regulation.

2. A Contractor shall notify the Secretary-General if it wishes to modify the Plan of Work. The Secretary-General shall, in consultation with the Contractor, consider whether a proposed modification to the Plan of Work constitutes a Material Change in accordance with the Guidelines. If the Secretary-General considers that the proposed modification constitutes a Material Change, the Contractor shall seek the prior approval of the Council based on the recommendation of the Commission under regulations 12 and 16, and before such Material Change is implemented by the Contractor.

Alt.1. 2. A Contractor shall notify the Secretary-General if it wishes to modify the Plan of Work. The Secretary General **shall inform the Council and transfer the request to the Commission**, which shall consider whether a proposed modification to the Plan of Work constitutes a Material Change in accordance with **the Standards**. If the **Commission** considers that the proposed modification constitutes a Material Change, the Contractor shall seek the prior approval of said Council based on the recommendation of the Commission under regulations 12 and 16, and before such Material Change is implemented by the Contractor. The sponsoring State shall also be informed.

<p>A clear definition about what constitute Material Change is needed. Specific criteria shall be developed through Standards.</p>

3. Where the proposed modification under paragraph 2 above relates to a Material Change in the Environmental Management and Monitoring Plan or Closure Plan, such plans shall be dealt with in accordance with the procedure

set out in regulation 11, prior to any consideration of the modification by the Commission.

Alt.1. Where the proposed modification under paragraph 2 above may have a potential impact on the Environmental Management and Monitoring Plan or Closure

Plan, such plans shall be dealt with in accordance with the procedure set out in regulation 11, prior to any consideration of the modification by the Commission.

4. The Secretary-General may propose to the Contractor a change to the Plan of Work that is not a Material Change, to correct minor omissions, errors or other such defects. After consulting the Contractor, the Secretary-General may make the change to the Plan of Work, and the Contractor shall implement such change. The Secretary-General shall so inform the Commission at its next meeting.

Alt. 1. 4. The Commission may propose a change to the Plan of Work that is not a Material Change, to correct minor omissions, errors or other such defects. The Secretary General will transmit the proposal to the Contractor. The Contractor will respond to the proposed change. The Commission will recommend the change to the Plan of Work, and the Contractor shall implement such change. The Secretary-General shall so inform the Council at its next meeting.
