

**TEMPLATE FOR SUBMISSION OF TEXTUAL PROPOSALS DURING THE 28TH SESSION:
COUNCIL - PART I**

Please fill out one form for each textual proposal which your delegation(s) wish(es) to amend, add or delete and send to council@isa.org.jm.

1. Name of Working Group:

President's text

2. Name(s) of Delegation(s) making the proposal:

Norway

3. Please indicate the relevant provision to which the textual proposal refers.

Annex VI

4. Kindly provide the proposed amendments to the regulation or standard or guideline in the text box below, using the "track changes" function in Microsoft Word. Please only reproduce the parts of the text that are being amended or deleted.

1. The Health and Safety Plan prepared under these regulations and this annex must:

(a) Be prepared in accordance with Good Industry Practice, and applicable ~~relevant~~ standards and guidelines;

(k) A description of ~~all~~ foreseeable occupational hazards, an assessment of their likelihood and consequences, and associated preventative and control measures;

5. Please indicate the rationale for the proposal. [150-word limit]

Norway prefers "applicable" to "relevant" here.

A description of "all" foreseeable hazards is a very high, and possibly unattainable, threshold.
