1. A Contractor shall immediately notify its Sponsoring State or States, [~~adjacent Coastal States States adjacent to the contract area~~] [~~, other relevant stakeholders~~] and the Secretary-General of the [] [occurrence] of any of the [Notifiable] Events listed in appendix I to these regulations.

4. The Contractor shall ensure that all regulatory authorities are notified and consulted, as appropriate.

5. Please indicate the rationale for the proposal. [150-word limit]

In para 1. Poland proposes to correct the reference to "adjacent Coastal States" as well as to remove the reference to stakeholders, as the specific scope of notification to “relevant stakeholders” remains unclear, including uncertainty which entities should be included to the process in situation of notifiable events.

The term used in para 4 remains unclear and seems to be too broad.
