Regulation 4

Rights and **legitimate interests of coastal States ~~and duty to notify~~**

[Facilitators' Note: the outcomes of the intersessional working group focused on coastal states will further inform this DR4 (and other references to 'coastal States' contained in this IWG's portions of the regulations). We have nonetheless reflected some comments received on the topic in this latest draft text. In this regard, the view was expressed that identification / definition of coastal States with relevant interests should not be a function left to the discretion of the Contractors or the Secretary-General. It was also suggested that the Regional Environmental Management Plan could be a relevant tool for making such identification.]

1. Nothing in these regulations shall affect the rights and **legitimate interests** of coastal States in accordance with article 142 and other relevant provisions of the Convention, ~~including its provisions on consultation, prior notification, and the taking of measures.~~

~~2. The Secretary General shall inform potentially affected coastal States, as identified in the applicable Regional Environmental Management Plan, upon the submission of an application for Exploitation. Appropriate consultation and notification [alt 1. protocols] [alt 2. procedures] [alt 3. Standards] shall be developed within three years after the adoption of these regulations or before any Commercial Production commences, whichever takes place first.~~

~~2 alt. During the consideration of an application for Exploitation the Council shall define the list of potentially affected coastal States and address the issue of the relevant rights of coastal States.~~

2 alt.2 Before the submission of a plan of work and its documents are finalized, Contractors shall consult in a targeted and proactive manner with adjacent coastal States, and any other potentially most affected coastal States in accordance with Regulation 93.ter.

3. Contractors shall take all measures **required and necessary** to ensure that their activities are conducted so as not to cause harmful effects to the Marine Environment, including, but not restricted to, pollution, damage to the flora and fauna, **interference with the ecological balance of the Marine Environment including ecosystem structure, function and resilience** and other hazards to the Marine Environment in areas under the jurisdiction or sovereignty

of coastal States, and that such harmful effects or pollution arising from Incidents or activities in its Contract Area do not spread into areas under the jurisdiction or sovereignty of a coastal State

4. Such measures by Contractors shall include:

(a) targeted and proactive consultations with adjacent coastal States and any other potentially most affected coastal States in accordance with Regulation 93.ter; consulting with any potentially affected coastal State in accordance with Article 142 of the Convention, prior to submitting an application for approval of a Plan of Work; and

(b) maintaining throughout the term of the contract:

- (i) monitoring of potential transboundary impacts,
- (ii) accurate and precise recording of the operational area, and
- (iii) consultations with any potentially affected coastal State,

with a view to ensuring that the rights and legitimate interests of coastal States are not infringed.

5. Any coastal State which has grounds for believing that any activity under a Plan of Work in the Area by a Contractor or the Enterprise is likely to ~~is likely to~~ could cause harm or a threat of harmful effects to its coastline or to the Marine Environment under its jurisdiction or sovereignty, or may result in exploitation by the Contractor of resources lying within national jurisdiction without the relevant State's consent, shall notify the Secretary-General in writing of the grounds upon which such belief is based. The Secretary-General shall immediately inform the [Commission], and the Contractor and its sponsoring State or States or the Enterprise, of such notification. The Contractor and its sponsoring State or States or the Enterprise shall be provided with a reasonable opportunity to examine the evidence, if any provided by the coastal States as the basis for its belief, and submit their observations thereon to the [Secretary-General] in the shortest possible time. *[Facilitators' note: the references to the Commission and the Secretary-General in this paragraph may be re-visited when the organisational structure for the inspection and compliance function of the Authority has been determined].*

6. Regulation 4(5) shall apply *mutatis mutandi* to any State with grounds for believing that such harm or threat of harm may be caused in any location by an activity under a Plan of Work, and the procedure established in regulation 4(7) shall also apply.

7. If the [Commission] determines, in accordance with the relevant Standards and taking into account Guidelines, that there are clear grounds for believing that, as a result of the Contractor's operations:

(a) Serious Harm or the threat of Serious Harm to the Marine Environment is likely to occur or has occurred, the Secretary-General shall notify the Sponsoring State, and [the Commission] shall recommend that the Council issue an emergency order, which may include an order for the suspension or adjustment of operations, pursuant to article 165(2)(k) of the Convention and take all necessary measures to prevent Serious Harm to the Marine Environment. Such recommendation shall be taken up by the Council on a priority basis. Upon the receipt of the emergency order, the Contractor shall take necessary measures in accordance with regulation 28(3); or

(b) other harmful effects, or threat of harmful effects, to the Marine Environment is likely to occur or has occurred, the Secretary-General shall notify the Sponsoring State, and the [Commission] shall recommend that the Council issue a compliance notice pursuant to regulation 103 or direct an inspection of the Contractor's activities pursuant to article 165 (2) (m) of the Convention and Part XI of these regulations. *[Facilitators' note: the reference to the Commission in this paragraph may be re-visited when the organisational structure for the inspection and compliance function of the Authority has been determined. It has also previously been proposed that the text contained in this paragraph (7) may be*

better located in Part XI of the Regulations, pertaining to Inspections, Compliance and Enforcement].
