the International Seabed Authority
(18-29 March 2024)**

A. Introduction

The first part of the twenty-ninth session of the Council of the International Seabed Authority (ISA) will be held in Kingston, Jamaica from 18 to 29 March 2024. This note aims at providing information to delegations on the logistical and procedural aspects.

B. Meeting venue and format

The first part of the twenty-ninth session of the Council of the Authority will be held in person at the Jamaica Conference Centre (JCC), located at 14-20 Port Royal Street, Kingston, Jamaica. The JCC, including its conference rooms and other areas, is made available to the International Seabed Authority by the Government of Jamaica as the host country for the purpose of holding meetings, conferences, consultations, scheduled programmes and any other activities related to the functions of the Authority.

Conference Room 1 will be the main meeting room for the Council with breakout meetings hosted in rooms as available.

C. Access for people with disability

Delegates with disability who require accessible seating during the meetings are kindly requested to bring this to the attention of the Secretariat as soon as possible by sending an email to secretary-general@isa.org.jm.

D. Procedural aspects of the meeting

Credentials and Accreditation

For planning and registration purposes, delegations are kindly requested to submit legibly scanned copies of their credentials to the Secretary-General via email to protocol@isa.org.jm as soon as possible, but preferably not less than forty-eight (48) hours before the first meeting attended.

Delegations are also requested to bring original hard copy credentials on the first day of attending the meetings of the Council. Submission of original credentials should be done at the Protocol and Credentials Section that is located on the first floor of the Secretariat building.

As a standing agenda item of the Council, the Secretary-General will provide an oral report on the credentials of members of the Council during the meeting.

The Secretariat may be contacted at protocol@isa.org.jm for any questions on accreditation/credentials.

Members of the Authority and Observer States to the Authority

Credentials shall be issued either by the Head of State or Government, by the Minister for Foreign Affairs or a person authorized by the Minister. Alternately, a scanned copy of a duly signed communication such as a note verbale from either the respective Ministry of Foreign Affairs, or the Permanent Mission to the International Seabed Authority or the Permanent Mission to the United Nations, containing provisional information concerning the appointment of representatives participating in the twenty-ninth session, shall be submitted to the Secretary-General, pending the submission of the formal credentials.

Observers to the Authority (United Nations, intergovernmental organizations and non-governmental organizations)

For entities referred to in article 305, paragraph 1 (f), of the United Nations Convention on the Law of the Sea, credentials are to be issued by a competent authority.

When appointing new representatives, delegations are reminded to indicate whether the latest credentials supersede or accompany previously submitted credentials. Credentials are only valid for the meeting period indicated.

Registration and Identification badges

All delegates attending the meetings of the Council will require an ISA-issued identification badge, in order to enter and remain on the premises of the Jamaica Conference Centre (JCC), as well as to enter the meeting rooms and the Secretariat building.

Upon arrival, delegates will be directed by security personnel to the Protocol and Credentials Section on the first floor of the Secretariat building to submit their credentials and to acquire their identification badges.

Badges are non-transferable and are valid only for the period indicated thereon. If lost or stolen, delegates will be required to visit the Protocol and Credentials Section to request the issuance of a new badge.

To promote environmental sustainability and as a cost saving measure, delegates are strongly encouraged to return their badges to the Secretariat, in particular the lanyard and the pouch, at the end of the session or the last meeting attended, whichever comes first.

To attend the meetings, all delegates must enter the lobby area of the JCC and present their conference badge before access is given. Badges must be worn at all times.

Collection boxes will be placed inside the meeting room for delegates to deposit their badges prior to leaving the premises.

For efficiency purposes as well as crowd control, delegates are encouraged to submit via email to protocol@isa.org.jm, a quality colour photograph, displaying their full face in front view, against a plain (preferably white) background, so that their access passes may be prepared ahead of their arrival. The photos will be used strictly for the purpose of generating delegates' access passes and will not be used for any other purpose or shared otherwise.

Entry requirements

As of September 1, 2023, all travellers entering Jamaica are required to complete the Immigration and Customs Declaration (C5) form online, prior to travel. The form is accessible at www.enterjamaica.com. This is the official and only authorised site to be used for the submission of the declaration forms.

Delegates requiring the Secretariat's assistance with acquiring Jamaican entry visas to attend the first part of the twenty-ninth session are requested to submit legible copies of their passport biodata page, the credentials of representatives and their flight itinerary to the Secretariat at protocol@isa.org.jm in order that a request can be made to the Government of Jamaica for the issuance of visa waivers.

Delegates are further asked to submit the requisite information, as soon as possible, but preferably, at least three weeks before their scheduled departure to Jamaica, to allow sufficient time to process visa waiver requests. Delegates who require visas to enter Jamaica and arrive at the port of entry without a visa or a visa waiver will be required by the relevant Government authority to pay an immigration processing fee of **USD 350**.
