[Regulation 37 bis

Transfer of Technology

~~The Contractor shall adhere to and implement the commitments set out in the Plan of Work for the transfer of technology, in line with the applicable Standards, and taking into account Guidelines.]~~

1. The Contractor shall include in the Plan of Work undertakings on transfer of technology pursuant to Article 144 of the Convention and Section 5 of the Annex to the Agreement.
2. The Plan of Work shall include a detailed technology transfer plan, specifying the types of technology to be transferred, the modalities of transfer, and the timelines for implementation, in accordance with the applicable Standards and taking into account Guidelines.

4. Please indicate the rationale for the proposal. [150-word limit]

The Enterprise welcomes the inclusion of a draft Regulation on the transfer of technology to the Enterprise and developing States in line with the relevant provisions of the Convention and the 1994 Agreement. The above proposal is made to refine the language and ensure consistency with the two legal instruments. The first paragraph implements the provisions of the Convention and the Agreement by requiring the Contractor to include in the plan of work undertakings on transfer of technology. Through the second paragraph, the development of Standards and Guidelines is suggested to cover detailed aspects of such transfer.
