

**TEMPLATE FOR SUBMISSION OF TEXTUAL PROPOSALS DURING THE 30TH SESSION:
COUNCIL - PART I**

Please fill out one form for each textual proposal which your delegation(s) wish(es) to amend, add or delete and send to council@isa.org.jm.

1. Name(s) of Delegation(s) making the proposal:

Norway

2. Please indicate the relevant provision to which the textual proposal refers.

DR 33

3. Kindly provide the proposed amendments to the regulation or standard or guideline in the text box below, using the “track changes” function in Microsoft Word. Please only reproduce the parts of the text that are being amended or deleted.

2. The Contractor shall, upon becoming aware of an Incident:

~~(a) Notify its Sponsoring State or States, [States adjacent to the Contract Area likely to be affected] and the Secretary General [without undue delay] [at the earliest time possible immediately, but no later than 24 hours] from the moment the Contractor becomes aware of the Incident;~~

4. Please indicate the rationale for the proposal. [150-word limit]

We suggest collecting the notification requirements in DR34 (see proposal to that effect). These notification requirements in DR33 paragraph 2 a are then obsolete and should be deleted.

We further support the comments on keeping the wording “reasonably foreseeable” in para 1, and also the comments from the UK about the Incidents Register.
